Velcon

Exploit the magic of pure sound with wireless listening freedom using Velcon. ANC technology provides brilliant noise cancellation to block out unnecessary background noise and distractions. The soft and flexible neckband made of liquid silicone along with the 70-hour battery life combines to give you an all-day comfort-driven experience. Velcon boasts an in-line audio controller and high-grade mic, that lets you take hands-free calls and also control music flawlessly. These sporty earphones not only look stylish but provides seamless connectivity, so you can have an immersive music listening experience.

Superb Stereo Sound:

These high-definition neckband earphones delivers powerful bass, mellow midrange, and precise treble, producing crystal-clear music, with complete wireless freedom.

Active Noise Cancellation:

Equipped with a highly effective ANC system that blocks out background noise Velcon does a great job in reducing environmental noise.

Comfort Fit Neckband Design:

Don't restrict your abilities as Velcon will make your daily workout sessions flawless without worrying about earphones falling out, with its ergonomic, silicone, skin-friendly neckband.

Water Resistant:

The sweat and water-resistant design featuring IPX4 make Velcon a perfect companion for your active adventures.

Multifunction In-line Controls:

Keep music and calls under your control as Velcon features a smart in-line controller for hands-free usage.

Extended Battery Life:

Boasting a stunning 35-hour playback time and a 70 hours standby time, these neckband wireless earphones will never let you down with low battery life.

Convenient Call Access:

Take high-res calls in the middle of any task with the high-grade built-in mic.

Specifications

Bluetooth Version: V5.0
Bluetooth Profiles: A2DP, AVRCP, HSP, HFP
Bluetooth Frequency: 2.402GHz-2.480GHz
Driver Diameter: Ø13mm
Input Rating: 5V/1A
Impedance: 32Ω
Frequency: 20Hz-20kHz
Sensitivity: 102±3dB 1kHz
Noise Reduction: 25dB~30dB

Charging Time: 1hour
Play Time: ANC OFF:35Hrs
ANC ON:30Hrs
Standby Time: ANC OFF:70Hrs
ANC ON:38Hrs
Battery Capacity: 220mAh
Battery Type: Li-Polymer
Operating Distance: 10 M
Input Port type: USB-C
