

Latitude 7000 Series
7280 | 7480

Exceptional experience by design.

Where work happens. Premium business-class Ultrabook™ delivering elite mobile productivity

Experience optimum productivity and mobility in a device that is smaller than its predecessor and designed to saturate users with the ultimate viewing experience and touch interface. Featuring optional slimmer bezels and weighing less than a half gallon of milk, it uses premium materials including an alloy chassis, soft touch paint, and optional woven carbon fiber artfully combined to achieve durability and beauty.

New features include Windows Hello via an optional infrared camera which facilitates logon using facial recognition. Docking is now also a breeze with multiple options including DisplayPort™ over USB Type C, and Dell Wireless dock.

Relax knowing that this series of laptops is the world's most secure featuring optional multi-factor authentication including touch finger print reader, contacted FIPS 201 Smart Card Reader, contactless smart card reader/NFC with Control Vault 2™ FIPS 140-2 Level 3 certification.

Purpose-built ecosystem: Latitude 12/14 7000

Powerful accessories **designed** and **tested** for Latitude 7000 deliver elite mobile productivity for Corridor Warriors, Remote and On the Go Professionals.

Dell Dock with Monitor Stand - DS1000

Create a simplified workspace with an integrated dock and monitor stand, accessing dual FHD displays via USB-C connection from your Latitude.

Dell Wireless Keyboard and Mouse – KM717

Work comfortably on virtually any surface with an arc-shaped mouse and full-sized keyboard, and easily switch between three devices via Bluetooth LE and Dell Universal Pairing.

Dell UltraSharp 24 InfinityEdge Monitor – U2417H WOST

World's first 23.8" InfinityEdge monitor optimizes your view with super thin borders on all four sides.

Dell UltraSharp 27 InfinityEdge Monitor – U2717D

World's first 27" InfinityEdge monitor optimizes your view with super thin borders on all four sides.

Dell Pro Stereo Wireless Headset – UC650

(RTS Feb'17)

Experience crystal-clear sound quality with a comfortable headset optimized for Unified Communications (UC) programs.

Dell Premier Slim Briefcase - 15

(RTS Feb'17)

Provides the convenience and reliability of a mobile office in a sleek, travel-friendly top load case design.

Dell Professional Sleeve - 14

(RTS Dec'16)

Protect your Latitude with a sleek, durable sleeve and easily carry it inside your briefcase or backpack.

Dell Hybrid Adapter + Power Bank - PH45W17-BA

(RTS Feb'17)

World's first modular power device that provides uninterrupted power to your laptop and USB mobile device at your desk or on-the-go.

Dell Adapter – USB-C to HDMI/VGA/Ethernet/USB 3.0

Easily connect to devices in a meeting room, hotel room, or at your desk – without the hassle of multiple dongles to carry.

Latitude 5000 Series 2-in-1 5285

Exceptional experience by design.

Ultimate 2-in-1 mobility that is sleek, power-packed and world's most secure and manageable

Designed to be powerful, secure and last all day. This 2-in-1 device provides the performance of a laptop and flexibility of a tablet. It weighs less than 2lbs and is built with the latest 7th Gen Intel® Core™ Processors, best in class materials and components that are cool to the touch and reliable.

Flexibility abounds through its chassis design, travel keyboard and connectivity options. The unique auto-deploy kickstand extends up to 150 degrees for multiple viewing angles and connectivity options including 2x2ac Wi-Fi, a USB 3.0 port, 2 USB Type-C ports, optional 4G/LTE and optional WiGig support keeps you productive.

Relax knowing that this 2-in-1 laptop is the world's most secure featuring optional multi-factor authentication including touch finger print reader, contactless FIPS 201 Smart Card Reader, contactless smart card reader/NFC with Control Vault 2™ FIPS 140-2 Level 3 certification.
